

LEAVES
NOTHING
BEHIND

Future is Biodegradable

**EU bans
Single use
Plastics from
2021**

COP26 – End deforestation 2030

Back to basics

LEAFYMADE - Natural and Biodegradable

**One-stop solution for sustainable disposables
for business and retail**

Yes, they are leak proof!

The leaves are of the *Shorea Robusta* trees, abundant in tropical forest of India.

- Can hold hot food
- Compostable
- Natural green color
- Free from chemical, glue or any artificial substance

The products are **NORMPACK** certified for **FOOD SAFETY**

For many occasions
